Surrender

```
C                       G                       F2
I'm giving you my heart, and all that is within
              Am                  G       C
I lay it all down for the sake of you my King
                  G                       F2
I'm giving you my dreams, I'm laying down my rights
                      Am                  G       C
I'm giving up my pride for the promise of new life
```

```
        Am  G/B  C      F2   C    Am  G  F2
And          I   surrender all to you, all to you
        Am  G/B  C      F2   C    Am  G  F2
And          I   surrender all to you, all to you
```

```
C                       G                       F2
I'm singing You this song, I'm waiting at the cross
                          Am              G       C
And all the world holds dear, I count it all as loss
                      G                       F2
For the sake of knowing You for the glory of Your name
                          Am              G/B     C
To know the lasting joy, even sharing in Your pain
```

```
        Am  G/B  C      F2   C    Am  G  F2
And          I   surrender all to you, all to you
        Am  G/B  C      F2   C        G  F2
And          I   surrender all to you, all to you
```
