**C**                    **F**                    **C**    **G**    **C**  
O little town of Bethlehem How still we see thee lie  
**Am**                    **F**                    **C**    **G**    **C**  
Above thy deep and dreamless sleep The silent stars go by  
**Am**                    **E**                    **F**                    **E**  
Yet in thy dark streets shineth The everlasting light  
**C**                    **F**                    **C**    **G**    **C**  
The hopes and fears of all the years Are met in thee tonight

**C**                    **F**                    **C**    **G**    **C**  
For Christ is born of Mary And gathered all above  
**Am**                    **F**                    **C**    **G**    **C**  
While mortals sleep, the angels keep Their watch of wondering love  
**Am**                    **E**                    **F**                    **E**  
O morning stars together Proclaim thy holy birth  
**C**                    **F**                    **C**    **G**    **C**  
And praises sing to God the King And peace to men on earth

O little town of Bethlehem How still we see thee lie
